

NEBRASKA ANTIQUE FARMING ASSOCIATION

The Nebraska Antique Farming Association [NAFA] is having a "Tractor Relay Across Nebraska" based on the idea of the Pony Express. The Route is divided into nine one day segments starting at Plattsmouth and ending at Lyman, NE.

All Nebraska collectors are encouraged to come along and participate in your area. You can drive a partial segment, all of a segment, or multiple segments. Events will be planned along the way as well as meal stops and break stops. The public is invited to come out and see the tractors as they pass through towns and villages.
